

Indemnity Cover

Because of the requirement for all registered dental care professionals to have adequate indemnity cover, BADN Full Membership is available with professional indemnity cover.

(This scheme is subject to underwriting criteria and acceptance by insurers and terms and conditions may change and in rare cases insurers could decline to offer cover.)

BADN Membership is also available without indemnity cover to those Dental Nurses who have obtained cover elsewhere.

Scheme benefits include:-

Cover provided by a specialist "A" rated Insurer

£1,000,000 aggregate cover Limit of Indemnity for the Medical Malpractice Indemnity Policy.

Cover for Disciplinary defence costs where these arise out of a potential professional indemnity claim

(For non-investment insurance mediation BADN acts as an Appointed Representative of Trafalgar Risk Management Limited (TRM) where that work relates to specific services provided in conjunction with the indemnity scheme. TRM is authorised and regulated by the Financial Conduct Authority.)

Join BADN® from just £50 a year!

You already know that it is the UK's ONLY professional organisation specifically for dental nurses, but perhaps you think you aren't eligible to join - because you aren't qualified yet, or because you only work part time, or because you are now a tutor or a manager, or work in practice management or reception.

Perhaps you considered joining BADN, but put it off until another day and then forgot about it? Or joined for a year, and then never got round to renewing your membership? Maybe you thought you couldn't afford it at the time?

You may even have joined another organisation, only to find that dental nurses are not their main priority? Or signed up for a magazine subscription, only to discover that the magazine was all you got for the same (or more!) cost as BADN membership?

As a dental nurse, time and money are important to you - If only there was a place where you could get advice, information, CPD ... and save money too! BADN is that place.

Full membership starts from just £50 a year - around 14p a day! And there are special rates for those working part time. Payment may be made by cheque, credit/debit card or Direct Debit. If you are a Full Member paying by Direct Debit, you can even divide your membership fee into two and pay half every six months!

BADN® Benefits

(benefits may vary from time to time)

- Free quarterly digital "British Dental Nurses' Journal

BADN® BENEFITS* (a range of special offers and discounts which may vary from time to time - BADN calculates that, if you actively take advantage of the special offers and discounts available, you could save up to £500 over a 12 month period)

Each benefit carries individual terms and conditions. See website for further details. Offers and prices subject to change without notice. All insurance is subject to underwriting. BADN Benefits is managed on behalf of BADN by Parliament Hill Ltd, 3rd Floor, 127 Cheapside, London, EC2V 6BT. The BADN is an Appointed Representative of Parliament Hill Limited who are authorised and regulated by the Financial Conduct Authority for insurance mediation under reference 308448. You can check this out by visiting the FCA website www.fca.org.uk

BADN® can help!

BADN can help! Our quarterly digital Journal, the "British Dental Nurse' Journal" keeps you up to date with what's happening in dental nursing (and it's free, as part of your membership package)

Our members' area of the website (also part of your membership package) is chock full of information.

BADN members can get FREE legal advice from our Legal Helpline - on both employment and personal issues.

Full Membership is now available with insurance cover (subject to underwriting) for basic dental nursing duties with customised extra cover for those undertaking extended duties or without insurance cover for those who have their cover elsewhere.

Unlike other associations, BADN is specifically for dental nurses. BADN Council is made up of dental nurses elected by the members to run BADN, so we know what challenges dental nurses are facing, what dental nurses are interested in, what dental nurses want!

If you're still undecided - consider this ...

BADN is the only association to represent dental nurses in discussions with the General Dental Council, the Department of Health, HM Revenue & Customs (did you know it was BADN who got the tax rebate on laundry extended to dental nurses? and the one on the GDC registration fee?! and are currently lobbying HMRC to make CPD costs tax allowable?) - in fact anyone at all connected with dental nursing.

If you want your views to be heard, you need to join BADN!

Thinking of joining BADN?
