

# Clear history and cookies in Internet Explorer

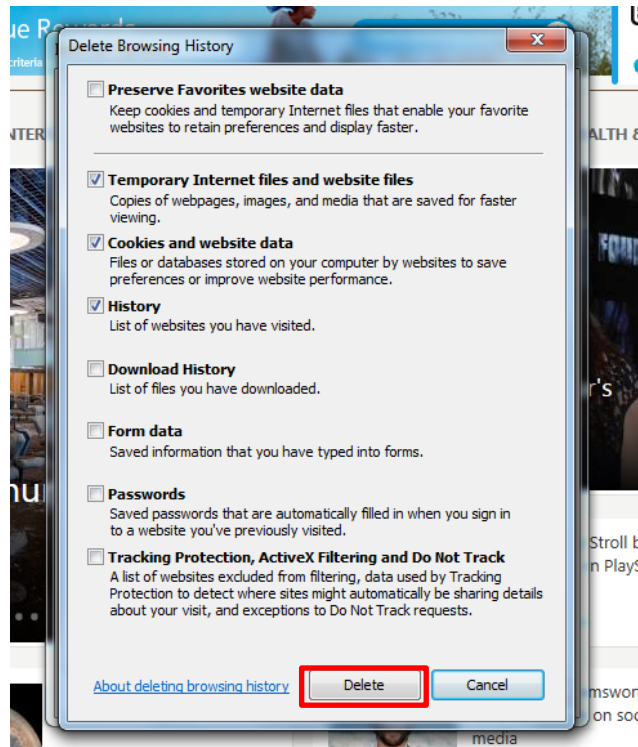

- 1) Open web browser – locate & click settings button on the top right hand corner.
- 2) In the dropdown list locate **“Internet Options”** and click.

- 3) Window will pop up with more options; Select first tab called **“General”** and locate ‘browsing history’ with a button **“Delete...”** underneath it;

- 4) In next pop up window please tick/untick boxes as shown on the below picture and click on **“Delete”** button;

- 5) Restart the web browser, enter BADN website and log in as normal.
